“ *We all will miss Tessa with her spunky attitude and resilient spirit. Her beginnings were not happy and her life at times was a struggle. In her early years her grandmother Donna was raising Tessa but as Donna's health diminished and Tessa aged it became difficult so Tessa went to live with her Aunt Sara who raised Tessa as her own. She had just begun to develop her own way to combat her meager beginnings. She is and will always be admired for her drive and the successes she was able to accomplish. She is and always will be a part of all who knew and loved her.*
