“ *Cousins, it is with great sadness to hear of our sweet Aunt Tillie, and your precious mother's, passing. We all believe in God's great kingdom and have faith Aunt Tillie will be forever in His embrace and tender love. You are a testimony to how much children love their mothers and we see especially now how wonderful and loving of a mother you had. God bless you all! With deepest sympathy and prayers, Rick & Darlene Morocco and Family*
