“ *I knew Tim from our days together at Foremen Elementary in Hobart. We might have not always seen eye-to-eye, but I'm blessed to have known him. I thank him for his service to our country and for all the amazing light he brought into this world. God speed Tim.*

“ *Tim was a classmate and good friend of mine in Hobart. We were in English class together. I can see him in my minds eye, young and handsome, and full of life and good spirit, cracking jokes. I just read his Facebook posts, watched his videos he posted. He was strong of spirit and a man of faith. I will see him again in Heaven. I have another reason to look forward to those pearly gates.
