“ *Tina, you were a great friend to me. I remember our kids growing up together, Monday nights being card nights, we would play Rook while our kids played, we would go try to find the great pumpkin at Halloween in the park, we had girl talks, sometimes lasting hours on the phone..I will miss you deeply. I dont understand why your time here on Earth was cut short but I thank God for the years he gave us to form a friendship with each other that I have never had with anyone else. I will keep your family in my prayers as I know they will have a hard time going thru this. Tina, I love you girl, I will miss you but I look forward to the day I will see you again.... Always and forever, Lissa ( Melissa Rodgers Patton)*
