God saw you getting tired
And a cure was not to be
So he put his arms around you
And whispered, "Come to me"
With tearful eyes we watched you
And saw you pass away
Although we loved you dearly
We could not make you stay
A sudden hand stopped his feet

will always bring a smile
if only I could have you back
for just a little while
Then we could sit and talk again
just like we used to do
you always meant so very much
and always will do too
The fact that you're no longer here

When tomorrow starts without me,
please try to understand. That an angel
came and called my name, and took
me by the hand. In Heaven far above,
And that I'd have to leave behind all
those I dearly love. But when I walked
through Heaven's Gates, I felt so much
at home, for God looked down, smiled
at me, and told me "Welcome Home."
So when tomorrow starts without me,
Don't think we're far apart, for every
time you think of me, I'm right
