“ *Tony will forever be missed by so many people. I am so glad that I got to share a part of my life with T. He was a very special person to me and my family. Tony taught me so many things in and about life. He was always there and ready to lend a hand to anyone that needed help. He was the most talented person in remodeling houses that I have ever seen and I learned so much from him that I use on a daily basis. I do believe that Tony touched the heart and soul of everyone he met. I know that heaven gained a special man when Tony walked through the pearly gates. Rest in peace my friend. We love you.*
