“ *Trey was my neighbor I had only met him once before. I asked him to put together my mobile scooter for me and he was kind enough to do so. Thank you so much for your kindness. I was so sorry to hear you passed I was quite honestly shocked and I feel so bad but I'm so thankful that I knew you even if it was briefly.* ”

“ This is one of my sweet babies from kindergarten. He was the sweetest little fella who liked everyone in his class. He did not like the lunches at school so his sweet mom would make his lunch just about every day. He was shy but so well liked by his classmates especially Mirah. She called him big boy all the time. He liked her so much. His grandmother was so loved by Trey and Britt and they loved her so much. This little boy was such a joy to teach. I love you Trey. From: Sherry Crafton
