“ *Condolences to Stephens family. Vic and my Dad had been neighbors, and friends for years. I always remember that any time he would stop by to see Dad, (Cap Wininger), their was always a friendly argument going on. They would always argue who had done the most work in that day, or how lazy the other was. Truly good friends. My heart goes out to the family. We know what an empty place you have, as we have just experienced it ourselves. Praying for strength and great memories. Lisa Wininger Evett*
