“ *I am so sorry for yalls loss. I know she was a awesome mother, grandmother to you all. I had the privilege of getting to know her a little through her daughter Judy which we were in the same class from first grade until we graduated. I considered Judy a dear friend. I pray that God will wrap his loving arms around you all through this sad time. Also our sweet Taylor dated Ethan and when she went with him at Christmas to her house she spoke very highly of y'all. Now she has left us to.*
