“ *Daddy, I love you. There isn't a day or hour that goes by that I don't think about you. You were and always will be my best friend. I could talk to you about anything. Some of my most happiest hours in life have been simply setting and watching you play the banjo or guitar. I hope someday I will be half the musician you are. Thank you for teaching me what is important in life. Thank you for being my daddy. I love you and miss you so much. I promised you that when your time came I would be strong and take care of Mom and both my sisters. With Gods help he has given me strength. I know God called you home because he needed you there. I know this was a path you had to go alone, but I know our paths will meet again on the other side in heaven. So, this is not goodbye, it is simply, "see you on the other side of heaven". .... Remember, I see you everywhere!*

*Love*

*We lost a good friend with Vollie's passing and pray for a safe journey home for him. Our prayers are also with Annette and the girls and their family's. Remember that Jesus said he was going to prepare a place where we could be with him for all eternity and Vollie will be in that place and we can look forward too seeing him there.*
