“ Hi Cookie, I know you are having a celebration party and all of our relatives and friends that went early and waiting on you to get there. I'm afraid they might have lost my invitation. If so, I will cry my eyes out. You meant so much to me Vonda. We became so close after you came to be by my side after losing Dawn and my past 2 husbands. I'm sensing a pattern here. I miss you even though we we were not close in person as we were before I felt closer than now. But I'm happy you are not in pain honey. You will always be my prayer warrior and i do talk to you when I pray. Love you so much and thankful i got the years i had here and can't wait for years to come up there. Jojo
