“ Rochelle was one of my very best friends and We graduated from the same high school together. She was always a bundle of energy and had a memory recall that was something else. She and I would talk long distance on the phone forever and she always bragged about Tony and her daughters, grandkids and the new addition that she was going to get to hold just a few weeks ago. She loved her family and she kept Addy a lot and always talked about how smart she was and loved her papaw! Rochelle was a very loving friend and she will be missed dearly! She and my husband Tom always was going back and forth at each other and they both loved it! Heaven gained a Angel for sure and she will light it up for sure! Precious Memories always
