“ *I have worked with many compliance officers over the years & they can be a little intimidating, but Werner was always kindly, pleasant, & the consummate professional. He made you feel like he was on the same side as you, not like he was someone to be feared. I genuinely enjoyed seeing him in the office & made it a point to go out of my way to say hello to him. This world would be a better place if more people had Werner's kind, gentlemanly spirit. We will miss him very much. My deepest sympathy goes out to his family. -- Jennifer Webster*

“ Condolences to Mrs. Hermes and the family. I worked with Werner for 13 years and was always impressed with his integrity, thoroughness and commitment to excellence, as well as his German sense of humor. He helped me learn the financial business from the day I got my licenses and helped me expand my capabilities as I grew in my career. Werner, you are already missed. Rest in Peace buddy. -Josh Cothran
