“ *So sorry to hear that sad news, your father was a wonderful man and friend. I will never forget the great times we had before Silver Sands and at Silver Sands. Again I'm sorry for your loss.*

“ *Unclean hands kept us apart  
but my love for you remained deep in my heart  
I told you once I would always find you  
and to your last breath that promise stayed true*

*My girls miss their Paw Paw  
and for you they weep  
They have their memories  
they will treasure and keep*

*I told you I planned to do what I could  
I prayed for your guidance to heaven  
you knew that I would*

*When I called your name  
I got such a surprise  
because you turned your head and opened your eyes  
At that moment I saw your love for me  
You gave me such a gift by letting me see*

*I knew then it was time  
I had to set you free  
So you would go to our Lord  
and be with your family*

*No one understood our father, daughter bond  
and it does not matter now that you're gone  
Rest in peace daddy  
and when the time is right  
We will meet by heaven's gate  
just beyond the bright light*
