“ I served under Chief as a missile maintenance NCO in B Battery 3/84th FA Pershing. He and Mr. John Davis were instrumental in encouraging me to become a fellow Pershing Warrant Officer. I retired as a CW3 and will be eternally grateful. Condolences to his entire family.

“ Bill Robertson was my friend and mentor since 1977 where we were on Army duty with the Pershing Missile System at the 3/84 FA in Heilbronn and Neckarsulm Germany. In recent years we often had lunch together with others and shared our memories. My sincere condolences to the Family.
