“ We are so sorry for your loss and I know God knows each of your hearts and will comfort each of you! She loved her family dearly and I know y'all will miss her but just think on the funny things she would say or do! They were great neighbors for years and would do anything for you that they could! She was so awesome to our family when Taylor passed away and things like that does not go unnoticed! We love y'all and Cameron and Cody y'all were like ours growing up and if you need us for anything please let us know! Love Stevie and Shelia Gifford
