As a much loved son from a small family and an entertaining missionary hievio

As a much loved son in a small family and a mischievous child, "Bootsie" touched our hearts in many ways. As an adult, he evolved into a husband, father, faithful career worker, prodigious gardener, and avid fisherman. As life seems to do, the many miles separated the Alabama family from the N.C./VA. cousins. Nevertheless, we out-of-state cousins will share the happy memories of our too few get-togethers.
