“ *Shirley, I just discovered this evening that Woody has passed away. Woody has been my piano tuner since we moved to Huntsville 15 years ago, and he also helped me buy a piano for my church several years ago, which he also tuned regularly. I am heartbroken to hear of his passing--he was such a special man and I feel honored to have called him my friend. I will keep you and your family in my prayers, and will always remember the ray of sunshine Woody brought into my life. He will be missed.*
